

VALUE OUR HEALTH

RSVP Today!

As organizations representing people with disabilities, patients and providers, we invite Capitol Hill staff and healthcare stakeholders to join our esteemed panel to learn about value assessments, their potential for discrimination, and related public policy threats at the federal and state level. The panelists include:

- Ari Ne’eman, Disability Advocate, Partnership to Improve Patient Care
- Sara van Geertruyden, Executive Director, Partnership to Improve Patient Care
- Rachel Patterson, Health Task Force Co-chair, Consortium for Citizens with Disabilities and Senior Director, Government Relations and Advocacy, Epilepsy Foundation
- Elizabeth Franklin, Executive Director, Cancer Policy Institute, Cancer Support Community
